

BND Graduate School 2023

Thursday, 10 August 2023

Beyond SM physics with axions, long-lived particles and the dark sector: Lecture and Exercise (11:00 - 12:30)

-Conveners: Felix Kling

Beyond SM physics with axions, long-lived particles and the dark sector (16:00 - 17:30)

-Conveners: Felix Kling

Friday, 11 August 2023

Beyond SM physics with axions, long-lived particles and the dark sector: Beyond SM physics with axions, long-lived particles and the dark sector (14:00 - 15:30)

Saturday, 12 August 2023

Beyond SM physics with axions, long-lived particles and the dark sector (11:00 - 12:30)
