

# Workshop on the tuning of hadronic interaction models

## Wednesday, 24 January 2024

### Tuning of event generators - Guesthouse, Campus Freudenberg (09:50 - 10:30)

time	[id] title	presenter
09:50	[6] A RIVETing journey: Analysis Preservation and Generator Tuning in High Energy Physics	KOLK, Lars

### Tuning of event generators - Guesthouse, Campus Freudenberg (11:00 - 12:30)

time	[id] title	presenter
11:00	[15] MCPLOTS : MC validation resource based on volunteer computing	KORNEEVA, Natalia
11:25	[38] Tuning of Pythia 8 for simulations of UHECR induced air showers	GAUDU, Chloé
11:50	[39] Tuning with Bayesian methods	WINDAU, Michael

### Tuning of event generators - Guesthouse, Campus Freudenberg (17:20 - 18:00)

time	[id] title	presenter
17:20	[37] Tuning in the far forward region for FASER	FIEG, Max
