

# Conference on Technology Towards Zero Waste and Zero Carbon (TEC2ZERO)

## Thursday 9 October 2025

### OS 3: Oral Session 3 - HS 32 (15:45 - 17:05)

time	[id] title	presenter
15:45	[21] Nanostructured and Atomically Dispersed Catalysts on Biomass-Derived Supports for Lignin Depolymerization	
16:05	[22] Grinding Sludge Waste from High-Alloy Tool Steel through a Smelting-Metallurgical Process	
16:25	[41] Where Safety Meets Sustainability – Oxidations in Continuous Flow	
16:45	[25] GraphRAG-Based Product Selection: Multi-Criteria Sustainability in Construction
