

## Liste der zur Prüfung berechtigten Dozenten zu folgenden Lehrveranstaltungen

- Bachelor-Arbeit – BA
- Master-Arbeit – MA
- Fachliche Spezialisierung – MFS
- Methodenerkenntnis und Projektplanung – MMP

## Prüferliste nach Beschluss des Prüfungsausschusses vom 14.01.2026:

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
